

Hello Parents,

The YMCA sports department has changed the way we provide basketball jerseys for our leagues. Coaches or parents will no longer need to travel to the corporate office to pick up the jerseys or back again for wrong sizes. You will no longer need to purchase a jersey with every league. The only time you will need to purchase a new jersey is if your child grows out of the jersey or the style has changed. Styles will change every 3 to 4 years.

The jerseys are shipped right to your door within 4 – 5 business days of you placing the jersey order. **If you have already purchased your jersey, please do not purchase another one.** If you have not been contacted by a volunteer coach yet, please do not purchase your jersey. If the jersey is damaged in any way, simply reach out to our supplier, [Augusta](#), and they will replace the jersey.

When you are purchasing your jersey, please confirm with the YMCA you are on a team. We will be sending out email during registration time to keep you updated. Augusta does not give refunds if you order the wrong jersey size for your child. Augusta does provide a sizing chart for you. Just above the price is "Click to view sizing chart".

The jersey order window for this league will open on 10/16/2023 and close on 11/13/2023.

Please let us know if you have any questions.
