

How to Find Your Y's Schedules on the Desktop View YMCA360.org

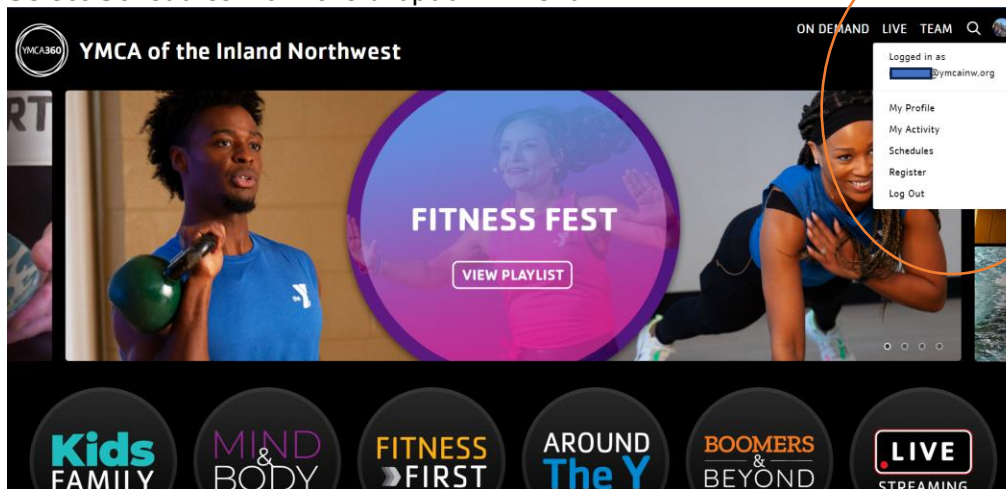

Getting started

1. Log in to YMCA360.org
2. Enter Zip Code and email address (must be same email address associated with your YMCA Membership profile).
3. Enter verification code sent to email.

To find your Y's class schedules, click on the Profile icon in the top righthand corner of the homepage.

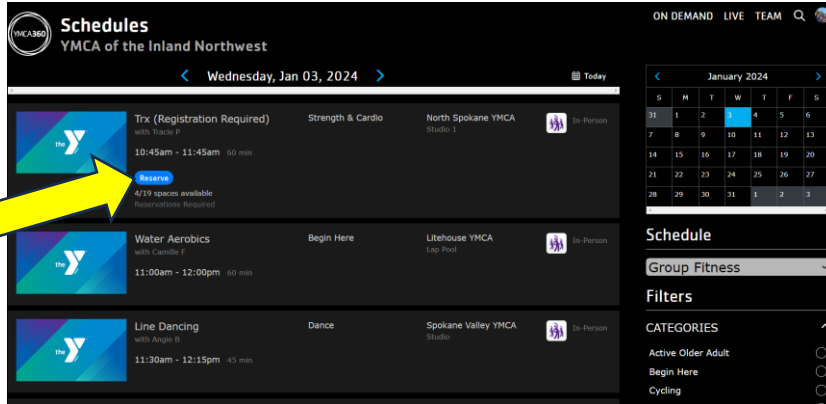

Select Schedules from the dropdown menu.

Once on the Schedules Page, you can filter according to date, time, category and branch.

Cycling and TRX classes will require reservations due to equipment and space needed. Click on the Reserve button to save your spot within 24 hours of start time.

Scroll down to filter by Category and Branch. Then click blue "Apply Filters" button.

To view schedules other than Group Fitness (default), click here for a dropdown menu. Select desired schedule.
