MAKING AN IMPACT BUILDING COMMUNITY

LITEHOUSE YMCA

Our **Membership For All** (MFA) program allows the Y to work side-by-side with our neighbors to make sure that everyone, regardless of age, income or background, has the opportunity to learn, grow, and thrive at the Y.

12.5% of Y members receive financial assistance made possible through generous donations from their neighbors and local businesses.

338 individual members of the Sandpoint community participated in swim lessons developing skills and a sense of achievement that will last a lifetime.

The Litehouse YMCA has subsidized over **\$87,693** in membership scholarships and subsidies to families and individuals in Sandpoint. These scholarships make access to safe, healthy, enriching experiences possible for our community members who otherwise would not have the financial means.
