YMCA of the Inland Northwest 2026 Annual Giving & Sponsorship Opportunities Building Stronger Communities — Together

Our Mission & Cause

At the YMCA of the Inland Northwest, our mission is to ensure that *all people have the opportunity to learn, grow, and thrive — in spirit, mind, and body.*

We are a charitable, cause-driven organization committed to strengthening community through **youth development, healthy living, and social responsibility.**

Your support helps us provide:

- **Childcare and early learning** for working families
- **Youth sports and day camps** that build confidence and leadership
- **Health and wellness programs** for all ages and abilities
- **Scholarships and financial assistance** ensuring no one is turned away

Why We Do This Work

At the YMCA, we believe that everyone deserves the opportunity to reach their full potential—no matter their background, ability, or circumstance. That belief drives everything we do.

From early learning that sparks curiosity, to youth sports that build confidence and teamwork, to wellness programs that restore health and hope, the Y walks alongside people at every stage of life. We provide spaces and programs where children learn to swim safely, families grow stronger together, cancer survivors rebuild their strength, and teens discover their leadership voice.

Every program—whether it's childcare, after-school enrichment, teen leadership, healthy living, or aquatic safety—is designed to strengthen community from the inside out. Last year alone, we served more than 1,200 youth over 350,000 meals and snacks, ensuring that every child in our care had what they needed to thrive.

As a nonprofit organization, the YMCA opens doors for all. When cost is a barrier, we provide financial assistance and scholarships so that no one is turned away. Because at the Y, inclusion isn't a goal, it's our commitment.

We do this work because we see every day how connection changes lives. Our purpose is to help people discover their potential, find their purpose, and build lasting relationships that strengthen the entire community. We envision a future where everyone can achieve health, gain confidence, make connections, and feel secure—at every stage of life.

Together, we're not just building stronger individuals; we're building a stronger community for all.
